

Dr. Jill Nation

30 years

Department of Obstetrics & Gynecology / Department of Oncology

1. What is your fondest memory of your time here at Foothills?

The team work especially after hours in the OR with everyone pulling together for the patient in need

2. Of all your contributions here at Foothills, what are you proudest of?

My commitment to learners and the privilege of teaching the next generation of learners

3. What advice would the you of today give the younger version of yourself at the start of your practicing career?

Be resilient - and keep balanced. Work as hard at work-life balance as you do at your career

4. What do you see as the biggest challenge facing physicians at this time?

Burnout with the sometimes impossible expectations of physicians

5. When you arrive at the Gates of heaven, what do you hope to hear St. Peter say?

You tried to be honest and fair and stayed true to yourself
