

**Dr. Robert Lindsay**  
**36 years**  
**Department of Plastic Surgery**

**1. What is your fondest memory of your time here at Foothills?**

Surviving 3 operations

**2. Of all your contributions here at Foothills, what are you proudest of?**

Medical Director of The Calgary Firefighters' Burn Treatment Centre for 20 years in a tie with developing reconstructive microsurgery at the Foothills with my colleague Dr Enzo Magi.

**3. What advice would the you of today give the younger version of yourself at the start of your practicing career?**

It may sound trite, but patients do come first and let that principle guide you.

**4. What do you see as the biggest challenge facing physicians at this time?**

We must devise ways of improving efficiency as limited resources have to meet increasing needs of the population and the funding of new and more expensive methods of care.

**5. When you arrive at the Gates of heaven, what do you hope to hear St. Peter say?**

"Come in."
