

Renewing your ZMSA Membership

It's that time of year again... time to renew your ZMSA membership!

The ZMSA annual membership process is conducted through the AMA. You will receive an email in September from AMA Membership Services providing you with a link to complete your renewal. If we do not have an email address on file for you the membership form will be sent by mail.

Your zone membership options will default to what you selected last year. You can make changes as you wish. This is what the ZMSA renewal screen will look like:
